## Certificate of Free Sale Cover Letter

Food, Health & Consumer Products of Canada (FHCP) is the national industry association representing manufacturers, marketers, and distributors of consumer health products (which includes over-the-counter medications and natural health products) and is objective third-party issuer of Certificates of Free Sale.

Food, Health & Consumer Products of Canada is a non-profit association. For more information about FHCP, please visit our “About Us” page at: <https://www.fhcp.ca/>.

A Certificate of Free Sale (CFS) is a product-specific and ingredient-specific document issued by a qualified third party who attests that the product in question complies with Canadian laws and regulations and/or is available for sale in Canada. Some foreign regulators are requesting that industry provide Certificates of Free Sale as additional documentation to support the import of products into their country.

***Please be advised that Health Canada does not issue Certificates of Free Sale.***

**Note:** If you wish to confirm the validity of the site license and/or manufacturing authorization referenced on the attached CFS, you may do so by searching Health Canada’s databases at the links included below.
